Enclosed is information about St. James' Church Day School for the 2025-2026 school year. The information explains about our pre-kindergarten program that is designed to provide children 3 to 5 years old with an appropriate environment in which to grow socially, emotionally, intellectually and physically. We have a progressive developmental approach to preparing children for kindergarten and a life full of learning. Although our school is associated with the St. James' Episcopal Church, it does not provide religious instruction and is open to children of all faiths.

The St. James preschool is in session Mondays through Fridays from September to mid-June and follows the Clinton Central School calendar. The preschool accepts children who are 3 to 5 years old; if a child is not 3 years old by September, the registration committee needs to approve their application to enroll. All children must be toilet trained to attend St. James' Day School.

The 5 Day Morning Program session is from 9:00 to 12:00. There is an extended day Lunch Bunch option from 12:00 to 1:30 offered Tuesday, Wednesday and Thursday resulting in students being at school from 9:00-1:30 if enrolled. Students can register for Lunch Bunch two or three days per week. Students bring a lunch from home. The Lunch Bunch program is intended to provide students with the opportunity to have lunch in school and an extended day experience to help prepare for full day kindergarten. Lunch Bunch days can be added/removed on a month to month basis.

We also offer a 3 Full Day enrollment option which runs Tuesdays, Wednesdays and Thursdays from 9:00-1:30. Our 3 Day Program includes participation in Lunch Bunch. Students bring a lunch from home. Children enrolled in this option do not attend Morning Program on Mondays and Fridays.

Please return the registration form with a registration/activities fee of \$40 payable to St. James' Day School to the above address. Children are accepted to St. James' Day School when their registration form and \$40 fee are received. An email confirmation will be sent. Additional forms and information will be mailed in the summer. Scholarship funds may be available; please request a tuition assistance form if you are interested in applying to be considered for a scholarship.
